Housing Outreach Worker Home Again

Description

In this full-time position, the Housing Outreach Worker works in collaboration with the Calgary Homeless Foundation to find accommodation for people experiencing homelessness. The goal of the position is to assist the individual in obtaining housing by connecting with landlords that are willing to rent to our clientele. The Housing Outreach Worker will meet with landlords in the community, do viewings and visit clients in their homes. The Housing Outreach Worker will be employing a housing first approach and will be working with individuals with mental health and addictions issues. Specific responsibilities will include move-in paperwork, insurance forms, developing actions plans, negotiating, home visits and goal setting.
