Team Lead Mobile Health Permanent | Full-Time

Description

The Team Lead Mobile Health, under the direction of the Associate Director of Mental Health, Addictions, and Outreach will be responsible for developing and implementing the future vision for the Mobile Health program. The Team Lead will leverage the mobile team of 2 mobile health buses to provide barrier free care to vulnerable Calgarians and in-need High Schools; in addition to collaborating with fundraising and marketing departments to increase visibility and funding. The ideal candidate will have the big picture vision to see opportunities, and the attention to detail to capitalize on them.
